**Beloved in the Lord Jesus Christ.**

We who are saved by grace through faith, were loved before the foundation of the world. What a God, what a Saviour, what love in truth, grace and holiness!!!!!!!!!!!!!! Gooder it can't get!!!!!!!!!!!!!!

We landed in May and were greeted by 11 Pastors all dressed up to meet us at the airport with song and jubilation!! WOWY, man oh man!!!!

While standing in line waiting for my customs stamp, I was informed that Lorna and I were to be guest of honor at a graduation in Lusaka the next afternoon. We felt like wet spaghetti but went and were joined by 2 Ministers of Parliament and the Zambian TV news people. Our heads were spinning and we appeared on the news that night. Did I say we hit the airport runway running as fast as the plane into the swing of things just then!!!!!!!!!!!! This is Zambia = TIZ

We got to the mission and in the driveway was the Land Rover Defender. The Lord touched the hearts of 2 men and their families and our

home church to be able to buy this from a missionary in Zambia. The ministry needed this type vehicle for the deep bush with the clinic, discipleship and evangelism we minister in. Here is a picture of the vehicle, yeah man!!

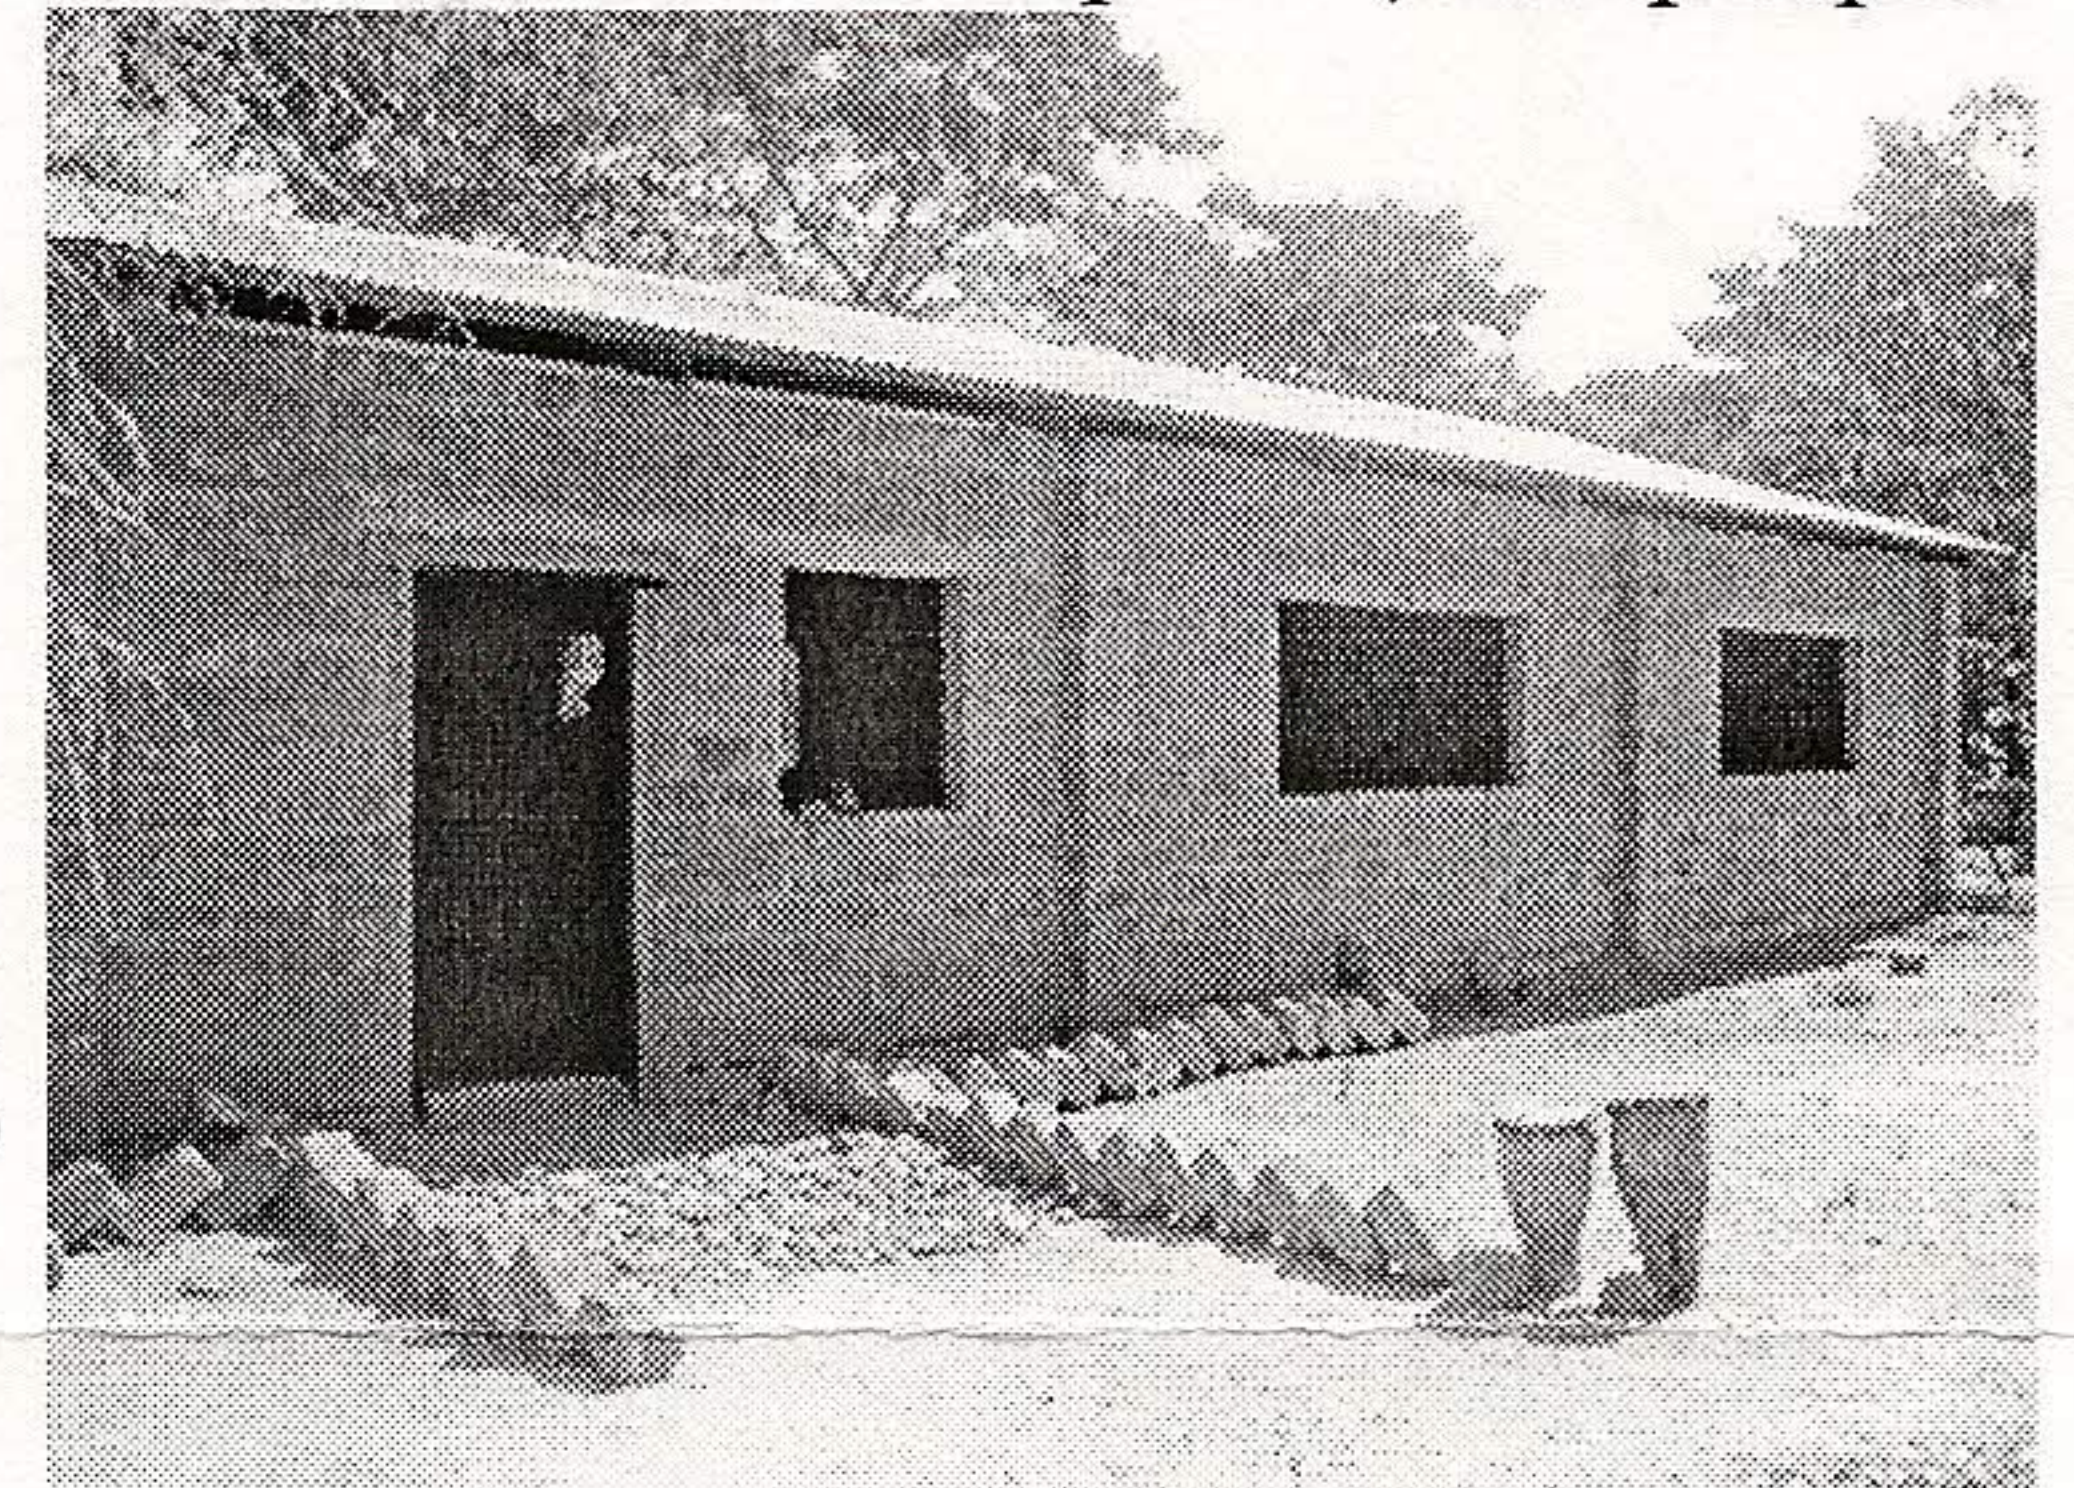

We made a donation to the doctors who fly meds and medical equipment to help the people of 3 countries. We are blessed with IAM Ministries helping to send supplies to us for the people we minister to, thank you!!!! You can see some of the thing we donated.

Here is a church that was just grass and branches when Lorna and I left furlough. It was built by the church members and a church from Decatur, AL helped them put a roof on. What a blessing to us DBC, thank you so much!!

June went very fast because we are preparing

for our Annual Conference where up to 7,000 people attend. We build a tabernacle each year and have preachers, churches and visitors come to help with VBS and the adult schedules.

Mind you, Bible Institute is going on, Sunday preaching, fellowship conferences, evangelism, soul winning, discipleship etc..... is going on at the same time, phew!!!!!!!!!!!!!!

We had an ordination of a Pastor who is also our clinics lab technician and overseer. He has God all over him. His name is Pastor Elijah Pule, what a

honor to be a part of this man's life. He graduated from the mission institute where Dr. Bonner and I taught and still teach. Last year he preached at the annual conference and American's as well as the nationals were filled with the word and Spirit of God through him!!!! AMEN, AMEN, AMEN!!!!!!

Thank you all so much for all you do and have done for the ministry. Please keep us in prayer as we are so very blessed to be here.

I must go on a program for 6 months with medicine that is coming out this month from the VA in the states. They will ship it to a clinic about 1 hour from us where doctors from South Africa will administer it to me and monitor the effects. Let pray it kills the virus that is killing my liver. Knowing that, I don't quiver because I have the Jesus shivers that promises me I ain't goin no where until He wants me toooooooooooooo. love you muchy!!!!!!!!!!!!!!!!!!!!!!
