And let us not be weary in well doing: for in due season we shall reap, if we faint not. As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith. Ga! 6:9,10
We thank all of you for your continuous labour together with us for souls in Ukraine. The 2 verses above and others like them encourage all of us to continue on, even if the visible results are not always there. As we have preached the gospel here, we have endeavoured to properly practice verse 10 as well. Often this seems to be either left out of our modern ministries or magnified to the exclusion of all else. Praise God that after 9 years, our first contact in Vanchicauts, Luda, has gotten saved. We have asked prayer for Luda so many times. So many times she has been "close". So many times, she would draw back. We have tried so hard to be patient, consistent and to shew ourselves a pattern of good works. Well, Luda is now part of the family of God, GLORY!!!!!!!!!!!!!!

We have had very good attendance through the past several months. Please pray for Vanya. He is a neighbor of our saved drunk, Valery. Through Valery's witness and insistence, Vanya has begun to come out. What a joy when our spiritual children are labouring in the "work of the Lord." Also please continue in prayer for Zhenya and Orel. They are the widow and the son of Leon, who got saved and then went to heaven last year. They are faithful to our services, though I think it is more out of respect for Leon than their personal desire. Either way, they are under the sound of the gospel.

Please continue to pray concerning our building situation. We are earnestly praying that the Lord will restore the building to our custody and that the false gospel presence will be out of our town. Also we ask that you would pray about our support level. I am sure that you hear this from all of your missionaries, but this is the reality of our times. We have been on the field for almost 5 years, during which time prices have gone up and our support has gone down. We are depending on our Lord, but He did say we have not because we ask not! May the Lord blessing you all.

Counting on *your* prayers,
The Isbells

Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me. Romans 15:30
